

A future in Energy?

Are you looking for an interesting job in a fast growing energy group?

Distrigas is a European gas merchant company and is part of the oil & gas major "eni". We sell natural gas to industrial customers, natural gas resellers and electricity producers. We are also active in sale and transport of LNG (liquefied natural gas). We offer our customers a wide range of flexible and tailor-made services to guarantee a reliable supply of natural gas at a competitive price.

Eni is an integrated energy company. Active in 77 countries, with a staff of 78.400 employees, it operates in oil and gas operation, production, transportation, transformation and marketing, in petrochemicals, oilfield services construction and engineering.

Distrigas is looking for a:

Contracting Analyst (m/f)

Your function

You are member of the Contract Structuring & Pricing team and you report to the Contracting & Pricing Manager.

Your main tasks consist in:

- ❑ Drafting gas sales standard contracts aimed at European markets (Germany, France, Benelux, ...) and amending them in order to implement specific customer's requests;
- ❑ Constant interfacing with all company internal stakeholders;
- ❑ Supporting commercial functions towards their relation with the clients, including direct participation in negotiation of non-standard contracts.

This job will allow you to deal with a broad variety of domains and to have many interesting contacts, both internally and externally.

It is based in Brussels. An important training is foreseen at eni gas & power in Milano.
